Holiday Play Session Information

Thank you for booking your Holiday Play Sessions with TLC. My staff and I look forward to spending time with your child(ren). If arriving before 9am breakfast is available (cereal, toast and fruit) and morning and afternoon snack is provided.

Please ensure that your child(ren) wear comfortable and suitable/warm clothes for the season and shoes that they/you don't mind getting dirty and also bring with them:-

- A coat, (preferably waterproof)
- Wellies/Outdoor trainers
- A change of clothes
- A packed lunch
- A water bottle
- A sunhat and suncream - seasonal
- Swimming Togs and Towel - seasonal

During the Holidays we plan Themes for each day. As with everything we do at TLC, it is led by the children. The themes are merely our starting point for the day, who knows what we will really end up doing?! We aim to focus on activities between 9.30 - 12.30 and 1.30 - 3.30 so there is plenty of time for children to play free and we never force children to join in with things that they may be uncomfortable with. Our role is to facilitate their play, their ideas and their fun. Bikes, scooters, are welcome every day as there will always be time for scooting about, it would be a shame not to take advantage of the fantastic open space.

On occasion, we may decide to take the children out to a local park, common land to develop the theme of the day further. Advance notice of the "trip" will always be given, however, the destinations are decided closer to the time, as different areas offer different elements of play and I need the flexibility to allow for the weather! Enclosed is a consent form for your attention. Please read this carefully and fill in the appropriate sections and bring with your child on their first day.
